

CURRICULUM VITAE

PERSONAL INFORMATION

Name: VAIA

Surname: GOTA

Date of Birth: 15.03.1984

e-mail: vanagota@gmail.com

EDUCATION

2006-2012 PhD thesis

2001-2005 B.Sc in Biochemistry and Biotechnology, University of
Thessaly

WORK EXPERIENCE

- 2012 - Today: Embryology in MITOSI IVF unit
- PhD studies at the Laboratory of Hematology at Biomedical Academy of Athens
- Undergraduate diploma thesis at Institut de Biologie Moléculaire et Cellulaire, University Louis Pasteur of Strasbourg, France
- Undergraduate training at Biochemistry Laboratory of General Hospital of Larissa, Greece

TEACHING EXPERIENCE

- Training of undergraduate and postgraduate biology students

CONFFERENCES

1. Dahabreh Issa, Giannouli Stavroula, Zoi Christine, Gota Vaia, Leondaritis George, Sambani Constantina, Loukopoulos Dimitris, Voulgarelis Michael, Zoi Katerina. Dasatinib for the treatment of treatment-refractory hypereosinophilic syndrome and chronic eosinophilic leukemia. 14th Congress of EHA, 4-7 June, Berlin, 2009
2. Zoi Katerina, Dahabreh Issa (P), Zoi Christine, Helbig Grzegorz, Krzemien Slawomira, Gota Vaia, Speletas Matthaios, Giannouli Stavroula, Palliou Andrianna, Stefanoudaki Katy, Harhalakis Nicholas, Vassilopoulos George, Kotsopoulou Maria, Tsigiotis Panagiotis, Moutsopoulos Haralampos, Loukopoulos Dimitris, Voulgarelis Michael. Jak2 V617F-Positive chronic eosinophilic leukemia: Clinical laboratory and molecular definition of a distinct disease subtype. 14th Congress of EHA, 4-7 June, Berlin, 2009
3. Dahabreh Issa, Manola Kalliopi, Galanopoulos Athanasios, Zoi Christine, Giannouli Stavroula, Stavropoulou Chryssa, Vlachadami Ioanna, Kalderi Themelina, Fisis Markos, Stefanoudaki Katy, Terpos Evangelos, Gota Vaia, Kartasis Zafeiris, Palliou Eleni, Katsigiannis Andreas, Roussou Paraskevi, Anagnostopoulos Nicholas, Lafioniatis Stelios, Palliou Andrianna, Loukopoulos Dimitris, Sambani Constantina, Voulgarelis Michael, Zoi

Katerina. Jak2 V617F mutation in primary myelodysplastic syndromes: a multicenter retrospective study. 14th Congress of EHA, 4-7 June, Berlin, 2009

4. 13o National Conference Obstetric-Gynecology, 28-31 MAY, Volos, Greece 2015 «Is molecular detection of infectious agents in the endometrium of asymptomatic women with history of infertility necessary prior to an attempt of in vitro fertilisation?»
5. 13o National Conference Obstetric-Gynecology, 28-31 MAY, Volos, Greece 2015 «Determination of the “implantation window” of the uterus following the molecular testing of the endometrial receptivity in women with repeated failed attempts of in vitro fertilization»
6. 30th Annual Meeting of ESHRE Munich, Germany 29 - 7 July 2014
7. Pre Congress Course "Stem cells" 30th Annual Meeting of ESHRE Munich, Germany 29 - 7 July 2014
8. "An update in preimplantation genetic screening (PDS)" ESHRE Rome 2015

PUBLICATIONS

- Dahabreh IJ, Giannouli S, Gota V, Voulgarelis M. GSTT1 and GSTM1 polymorphisms and myelodysplastic syndrome risk: a systematic review and meta-analysis. Int J Cancer. 2010 Apr 1;126(7):1716-23.

LANGUAGES

- English: Fluent, Certificate of Proficiency in English (πτυχίο Proficiency of Michigan)
- French: Beginner

COMPUTER KNOWLEDGE

- Excellent: Word, Excel, PowerPoint, Access, Internet, Outlook
- Bioinformatics Software
